

Group Guided Tours Fee Structure

Have you ever wondered what whales eat? Where are the best vantage points to see whales and dolphins? Why whales were hunted almost to extinction? How such large mammals have adapted to living in the ocean?

You will learn the answers to these and many other questions on a Guided Tour of the South Australian Whale Centre.

The Centre offers 30 and 60 minute Guided Tours of the Centre. Bookings are essential and tours can be scheduled between 9.30 am and 4.00 pm, seven days per week (excluding Christmas Day).

Tours include elements of whaling history, whale physiology, current marine threats, evolution and marine life habitat and food sources.

Guides will also share stories and secrets not normally available to the public.

Group Tour Guide and Bus Driver are offered free entry.

Group Guided Tours are suitable for Senior, Coach and Adult groups. Please see Discovery Based Educational Tours for school and child groups.
